EPA grant applicants **must** use Grants.gov to submit their applications. The Grants.gov registration process can take up to 30 days to complete. Therefore, it is highly recommended that EPA applicants complete their registration on Grants.gov now. Also, your organization's registration in SAM.gov must be active to utilize Grants.gov. If it appears that the grants.gov registration process may prevent you from submitting your application by the aforementioned due date, then please contact Support@grants.gov or call 1-800-518-4726 as support is available 24 hours a day and 7 days a week. You should also notify your Project Officer before the application due date to request an extension.

Please review the Attachments, Grants.gov Instructions Guide and Region 9 Application Checklist for Financial Assistance. Information to Grants.gov is located at <http://www.grants.gov/web/grants/applicants/download-application-package.html>. In addition, Federal Regulations new EPA requirements, and other additional resources may be located at <http://www.epa.gov/grants>. We suggest you forward these materials to your Project Manager, Financial Officer and any other personnel in your organization requiring this information.

Questions regarding the application or administrative/fiscal matters should be referred to your EPA Grants Management Specialist, Maria Roverso at (415) 972-3573 or Roverso.Maria@epa.gov.

Please call me at (415) 972-3530 regarding programmatic questions (e.g. development of workplan).

Sincerely,

Joel Coffman
EPA Project Officer
